Introduction

2014 International Symposium on Safety Science and Technology (2014 ISSST) will be held at Beijing Xijiao Hotel, in Beijing, China, November 4–6, 2014. The Symposium is a continuation of the previous eight international symposia held in Beijing (1998 and 2000), Tai'an (2002), Shanghai (2004), Changsha (2006), Beijing (2008), Hangzhou (2010) and Nanjing (2012) respectively. The aim of the Symposium is still to provide an up-to-date discussion in the field of safety science and technology.

Conference Language

The working language of the Symposium is English, which will be used for all the presentations and printed materials.

Registration

The registration fee is US\$500. This includes one copy of the Proceedings of the Symposium, banquet, meals, coffee breaks and the visit after the technical session. The fee for each accompanying visitor is US\$250. This includes banquet, meals, shopping guide and the visit after the technical session. Additional fees are charged for special functions.

Audio/Visual (A/V)

Each session room will be preset with the following: one computer, one LCD projector, one screen, and one microphone.

Timing of Presentations

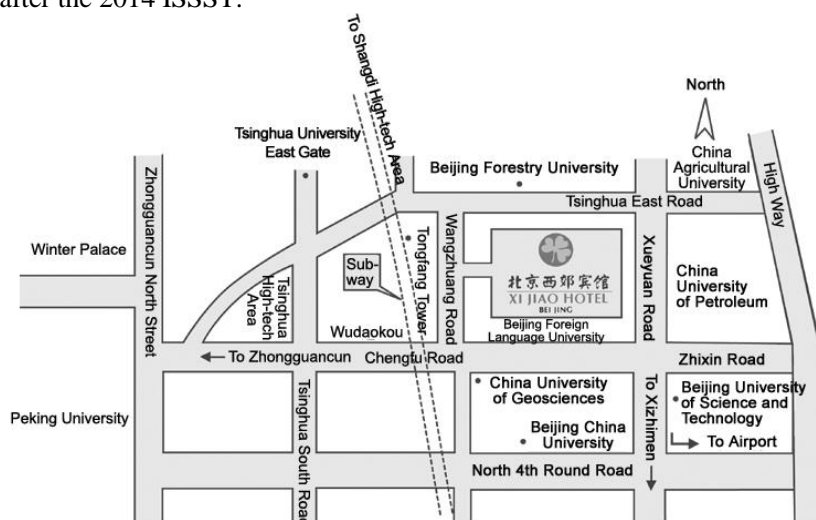

Each paper will be allotted 20 minutes (including introduction and question-and-answer period), except where noted.

Exhibition

Limited exhibition space in the lobby of the symposium hall is provided for products, equipment and advertising material relevant to the topics of the symposium.

Accommodations

Accommodations are arranged at Beijing Xijiao Hotel ([北京西郊宾馆 Http://www.xijiao-hotel.com.cn](http://www.xijiao-hotel.com.cn)). The blocks of rooms held for symposium attendees will be held for reservation at the special symposium rate of US\$70/night (single occupancy) and US\$80/night (twin occupancy). The rate includes breakfast. Reservations must be made [through the Secretariat](#), NOT directly with the hotel. Reservations made through the Secretariat for the meeting hotel will be valid at the meeting rate from Nov. 1 to 8, 2014 to encourage attendees to explore Beijing before and after the 2014 ISSST.
