

# Final Announcement

## 2016 INTERNATIONAL SYMPOSIUM ON SAFETY SCIENCE AND TECHNOLOGY

Wenhui Hotel, Kunming, China, October 17–19, 2016

### Sponsored by

Beijing Institute of Technology, China  
China Occupational Safety and Health Association  
China Association for Public Safety  
Kunming University of Science and Technology, China  
Nanjing Tech University, China  
Nanjing University of Science and Technology, China

### Organized by

Kunming University of Science and Technology  
State Key Laboratory of Explosion Science and Technology (Beijing Institute of Technology)  
Collaborative Innovation Center for Safety and Protection

### Co-Organized by

Department of Safety Engineering, Beijing Institute of Technology

### Chairman

ZHONG Qunpeng, China

### International Advisory Committee

Ronald J. WILLEY, USA  
Rosa NOMEN, Spain  
Jan BERGHMANS, Belgium  
J. WINDHORST, Canada  
Gi Heung CHOI, Korea  
Ahmed MÉBARKI, France  
Maria MOLNARNE, Germany

### Organizing Committee

FENG Changgen, Beijing Institute of Technology  
PENG Jinhui, Kunming University of Science and Technology  
JIANG Juncheng, Nanjing Tech University  
JING Guoxun, Anyang Institute of Technology  
SHEN Shifei, China Association for Public Safety  
LIU Dabin, Nanjing University of Science and Technology

WEN Shuming, Kunming University of Science and Technology  
WANG Cheng, Beijing Institute of Technology  
SUN Jinhua, University of Science and Technology of China  
WU Chao, Central South University  
JIN Longzhe, University of Science and Technology Beijing  
FU Gui, China University of Mining and Technology  
TIAN Shuicheng, Xi'an University of Science and Technology  
CHENG Weimin, Shandong University of Science and Technology  
HU Shuangqi, North University of China  
ZHOU Fubao, China University of Mining and Technology  
GAO Jianliang, Henan Polytechnic University  
QIAN Xinming, Beijing Institute of Technology

## Introduction

2016 International Symposium on Safety Science and Technology (2016 ISSST) will be held at Wenhui Hotel in Kunming, Yunnan Province, China, October 17–19, 2016. The Symposium is a continuation of the previous nine international symposia held in Beijing (1998 and 2000), Tai'an (2002), Shanghai (2004), Changsha (2006), Beijing (2008), Hangzhou (2010), Nanjing (2012) and Beijing(2014) respectively. The aim of the Symposium is still to provide an up-to-date discussion in the field of safety science and technology.

## Conference Language

The working language of the Symposium is English, which will be used for all the presentations and printed materials.

## Registration and Fees

The registration fee is US\$500 (US\$250 for student accompanied by paid Advisor). This includes one copy of the Proceedings of the Symposium, banquet, meals, and coffee breaks. The fee for each accompanying visitor is US\$250. This includes banquet, meals, and the visit after the technical session. [On site registration will be held in the lobby of Wenhui Hotel, 14:00–22:00 on October 17.](#)

## Accommodations

Accommodations are arranged at Wenhui Hotel(文汇酒店), which is also called the International Academic Exchange Center of Kunming University of Science and Technology. The blocks of rooms held for symposium attendees will be held for reservation at the special symposium rate of US\$50/night per room, single or twin occupancy. Reservations must be made [through the Secretariat](#), NOT directly with the hotel.

Address: 253 Xuefu Road, Kunming, China (昆明市学府路253号)

## Audio/Visual (A/V)

Each session room will be preset with the following: one computer, one LCD projector, one screen, and one microphone.

## Timing of Presentations

Each paper will be allotted 20 minutes (including introduction and question-and-answer period), except where noted.

## Exhibition

Limited exhibition space in the lobby of the symposium hall is provided for products, equipment and advertising material relevant to the topics of the symposium.

## Transportation

Kunming Changshui International Airport is the primary airport serving Kunming. The airport is located 24.5 km northeast of the city center. Participants can take taxi directly to the Wenhui Hotel (taxi fare is about 100 Yuan), or take Airport Express Line 1 to Xi Yi Hotel (fare is about 25 Yuan) first, and then take taxi to the hotel.

## Website

For up-to-date information on the symposium or for other information about Beijing, please visit the website <http://www.issst.com.cn>.

## Secretariat

All those interested in attending the Symposium and in receiving further information are welcome to contact:

Prof. FENG Changgen or Dr. LI Shengcai  
State Key Lab of Explosion Science and Technology  
Beijing Institute of Technology  
Beijing 100081  
China  
Email: LSC@issst.com.cn  
Tel/Fax: +86-10-68913997

## Proceedings

140 accepted papers and extended abstracts will be included in the proceedings (without ISBN) to be distributed at the symposium. The authors are from 14 countries and regions including: Australia, Belgium, Canada, China, France, Germany, Japan, Korea, Poland, Spain, UK, USA, Hong Kong of China, and Taiwan of China.

There will be a *Special Issue of Journal of Loss Prevention in the Process Industries* for selected papers from 2016 ISSST.

## Invited Plenary Speakers

We have arranged to begin the symposium on Oct. 18 with invited speakers having excellent international scientific reputations. You will be interested in hearing and meeting these people:

Prof. Ronald J. WILLEY, Northeastern University, USA  
Prof. Gi Heung CHOI, Hansung University, Korea  
Prof. Rosa NOMEN, Universitat Ramon Llull, Spain  
Prof. Ahmed MÉBARKI, Université Paris-Est, France  
Dr. Maria MOLNARNE, Former researcher, BAM Federal Institute for Materials Research and Testing, Germany  
Prof. Piotr WOLAŃSKI, Warsaw University of Technology, Poland  
Prof. Jennifer WEN, University of Warwick, UK  
Dr. Jan WINDHORST, WEC INC., Canada  
Prof. WANG Cheng, Beijing Institute of Technology  
Prof. QIAN Xinming, Beijing Institute of Technology  
Prof. WANG Zhirong, Nanjing Tech University, China
